

THE ELECTRIC FENCE "FIT AND FORGET" SOLUTION

NUMAX

NUMAX 'FIT ONE CHARGE ONE' ELECTRIC FENCE BATTERY KIT

FIT ONE CHARGE ONE KIT PROVIDES A RELIABLE AND CONSISTENT POWER SUPPLY FOR ELECTRIC FENCING.

The kit includes two lightweight Numax CXT fully sealed maintenance free 32 Amp batteries and a state-of-the-art 4 Amp intelligent Numax charger. When one battery is in use, the other is on charge. Once the battery is fully charged, the charger converts to a 'maintenance' mode and ensures that the battery remains in optimum condition. When the battery powering the fence runs low simply swap the batteries over.

NUMAX 'FIT ONE CHARGE ONE' ELECTRIC FENCE BATTERY KIT INCLUDES:

- 2 x 32 Amp Sealed Maintenance Free CXT Batteries
- 1 x 12V – 4 Amp Fully Automatic 3 stage Battery Charger

FEATURES

Premium Quality batteries with Magic Eye indicator, reinforced carrying handles. Numax Connect and Forget 3 stage Charger that will perform both bulk charging and maintenance charging.
